Dr. Barnum Tells Topic For Sunday

He will ask the question, "Are too many of us content with the past and its fulfillments, or can some of us strive to accomplish some of the dream we have only dreamed?"

The college course, now in its fourth unit, will be held Tuesday evening in the classroom of the church.

Inspiration Hour will be held at 10:30 a.m., Wednesday morning, as Dr. Barnum gives a short lecture and invites questions and discussion. The monthly luncheon gathering will meet at noon, with participants bringing their own lunches.

A series of 10 lectures on the basic principles of Religious Science will continue on Thursday evening from 7:30 to 9:30 p.m.
